Dear Mr. Baker:

The Utah State Historic Preservation Office received the above information on September 11, 2001. Our Office has received a request from both DOGM and SITLA to provided consultation as directed by U.C.A. 9-8-404.

1. Identification, the USHPO concurs with the determination that the report covers the area of potential effect.
2. Eligibility, the USHPO concurs with the determination that SA 17713 and 24709 are Eligible and that SA24708 is Not Eligible.
3. Effect, the USHPO concurs with the determination that 17713 and 24709 can be avoided by the project and therefore a determination **No Historic Properties** is appropriate.
